

Application guidelines for Project Cooperation with Welttierschutzgesellschaft (WTG)

**Our vision is a world in which animals are appreciated by the people around them and treated respectfully and adequately**

**1. Aim of the projects is the long-term, sustainable and socially integrated improvement of the living conditions of animals in the particular country.**

Requirements for the cooperation are supporting project-related educative and awareness rising animal welfare activities organised for the local population.

**2. Aims and Subject of the Cooperation**

WTG initiates and promotes the implementation of animal welfare projects, which consist of exemplary activities for the wellbeing of animals. This includes projects which

- promote the health and wellbeing of animals
- intend to improve the living conditions of animals
- protect animals endangered by humans
- create conditions for a co-existence of humans and animals with fewer conflicts

**3. Eligible Applicants**

Eligible for application are animal welfare organisations that operate altruistically and registered non-profit animal welfare charities with a focus on emerging and developing countries respectively

**4. Nature of the Cooperation and Amount of Funding**

The nature of the cooperation and the amount of the funding will be decided individually for each application. Requirement for any funding is the signing of the cooperation agreement.

**5. Application Procedure**

Applications can be made **at any time**. For the application please use the standard application form. The evaluation of the project can take up to two months. For that reason new applications should be handed in early. An application does not create a **legal entitlement** for cooperation.
